Subject: Please do not change District 6 border to Curtner Ave.!

The area south of Curtner that includes Presentation and St. Christopher belongs in District 6. Schoolchildren cross Curtner to go to Booksin School and Willow Glen High. Those of us on Elkhorn Ct. and other streets in the area being considered for removal from District 6 identify with Willow Glen, bought our homes at least in part because they are in Willow Glen not Cambrian -- and we do not want to suffer yet another hit on our property values from being moved out of WG. We helped elect Pierluigi Oliviero, and I definitely prefer to stay in his district. I am strongly opposed to moving this area out of District 6. Please go to one of the other plans, such as moving the area bounded by Hwy 87, Capitol Exwy, Almaden Exwy (Rubino Circo) -- a newer development that does not have the history our area does of being Willow Glen. Students in that area attend Gunderson High, not Willow Glen High. It makes more sense for that area to be shifted.

Yours truly
