Dear Sirs -

I moved to Elkhorn Ct (right next to St Christopher) over 10 years ago \*because\* it was part of Willow Glen. My wife grew up in Willow Glen, that is, right next to St Christopher's as well. On the side that you are now considering to split into the Cambrian district.

I think it an ill-considered and unprecedented move if you chose to proceed with such a decision, especially given the poor communication surrounding this initiative. Our neighborhood has \*always\* been a part of Willow Glen, as the turnout and opposition shown in yesterday's meeting showed.

Whether or not Cambrian needs a "more diverse" population should not lead to such a manipulation and disruption of established, traditional neighborhoods. It would show very poor city planning.

Thank you,

Paul & Ronda Liesenberg
