Subject: Re: Budget meeting & redrawing neighborhood boundaries

Good morning,

I just realized that I missed the redistricting meeting last night.

If possible, I'd like to add my input via email.

I'm voting for the option of Rubino Circle-bounded by Hwy 87, Capitol Expressway, and Almaden Expressway could move to District 9.

I currently live on Shibley and would like to see Booksin neighborhood stay as is - part of Willow Glen.

Thank you for your supports & services!

Sincerely yours,

Thu Tran
