Subject: NO REZONE OF WILLOW GLEN

To whom it may concern:

My son-in-law is emailing this response because I have no email account. Therefore, my son-in-law is emailing this for me.

My name is Chien Chang and live at . I was not able to attend the meeting and I oppose the rezoning proposal. I do not want to be included as part of the Cambrian district.

I am steadfastly opposed to making Curtner a dividing line of any part of WG. If the Cambrian district needs a bigger population, they should obtain it from the Rubino Circle neighborhood.

Thank you.
Harry Lim for Chien Chang.
