Subject: Redistricting Willow Glen

I was born and raised in the Willow Glen area. I own the home in which I was raised (it's on Markham Ave).

My vote for the redistricting is to move the Rubino Circle area into Cambrian and leave my neighborhood in District 6. This will give us consistency of representation and neighborhood that we've had for the last almost 60 years (my family bought our house new in 1954).

Regards,
