Subject: Redistricting Meeting at W.G. Senior Center

Denelle Fedor,

It was nice meeting you tonight Denelle. I am sorry I could not stay longer, as I had my 13 year old daughter- who has homework!- with me.

I have lived south of Curtner Ave since 1965- first on Tiffany Way, and now on Elkhorn Court. with my husband, daughter, and many other neighbors who, along with me, would like to see this neighborhood remain part of Willow Glen and District 6.

I would suggest that the Rubino Circle neighborhood- where residents' children attend Gunderson H.S.- be annexed to the Cambrian neighborhood in lieu of this area that has been a part of Willow Glen for so many decades!

Thanks for your assistance, Denelle.

Respectfully,
Caren Hare
