Subject: Redistricting Willow Glen

Hello,

We attended the May 9th meeting but couldn't stay to the end of the meeting.

When we bought our house in Willow Glen on Marcia Ave we told our realtor that we specifically wanted to be in Willow Glen and were not interested in looking anywhere else. We paid a premium price for you house to live in Willow Glen. If we bought in Cambrian we could have gotten a cheaper or bigger house but we did not want to be in Cambrian.

We feel that being forced to be moved to Cambrian it will lower the value of home. I hope that the decision is to move Rubino Circle and not our neighborhood.

We will not be able to attend the other meetings as we are in San Diego on family matters and won't be returning to San Jose in time to attend these meetings.
