Hello,

Willow Glen has been a vibrant, well structured, family oriented and consistent neighborhood for decades -- to break up this neighborhood in the interests of re-aligning council districts would be a GIANT mistake. District 6 is Willow Glen (and Rose Garden of course).

Therefore, please register my vote as follows:

Shift the Rubino Circle neighborhood (only 9 years in existence) into a different council district. There is no valid reason or benefit to subdividing Willow Glen's long-standing community.

Thanks!
