Subject: Fw: Ribbon Cutting & Redistricting

Hi,

Caren and I ran into Pierluigi this weekend at Aquil's. He mentioned that we should attend the redistricting meetings this week and continue to show our unified concern about having Elkhorn Ct (and area surrounding Booksin Elementary moved into the Cambrian district. He suggested we downplay our concerns over property values and focus on how it will affect our sense of community and affinity for the Willow Glen neighborhood.

Here are the redistricting meetings this week. Hopefully, some of us can attend one or both meetings to represent Elkhorn Ct.
