Dear Mr. Hawkins:

We have been residents of San Jose for over 40 years, 20 of those years as residents of Willow Glen. We owned a home at xx, which we sold to our son and his wife. We now reside at xx , and alternately in Morro Bay, CA.

We feel it is important that Willow Glen, as a community, should not be divided. It has great neighborhood characteristics, ambiance, and is really a tight knit community within itself. Our neighbors and friends feel a camaraderie as residents of Willow Glen. And, we experience common issues and concerns that bind us together.

Please keep our district whole and not farmed out to other neighborhoods.

Sincerely,

James Zuur & Mary Ellen Bohnsack
