Subject: District six boundary

To the Commission: My wife and family have lived in Willow Glen for 47 years, the last 43 years in the Brown and Kauffman area between Meridian

and Leigh. We attended the last town meeting and want to add our displeasure with any plans to move our area into the 9th District. We have been

very pleased with Pierluigi as our councilman. Our son lives nearby but in district 9 and doesn;t even know the name of their councilman. If it isn't broke don't fix it!!!!

Leave us alone!!!

John and Lou Ann Livingstone,
