Subject: District 6 boundaries

Dear Commission,

I recognize that you are challenged with leveling the population boundaries for District 6. I am appealing to your good judgement in leaving the heart and pride of our community in District 6, meaning the area from Dry Creek to Curtner and Meridian to Hicks. Wouldn't it make more sense to take the areas causing the increase in population and assigning them to a new district, perhaps the area around Rubino Circle that has seen an increase in density housing. Our tradition and years of cultivating a proud and safe residential area in this special community means so much to us. Please show some compassion and leave our neighborhood in District 6. I live on Mulberry Lane.

Thank you for your consideration,

Butch
