Subject: DO NOT redistrict Willow Glen 6-9 (e), (a), (aa), (aaa)
Importance: High

Hello Redistricting Committee and Mr. Oliverio,

We are residents of District 6, living between Leigh/Meridian, Curtner/Dry Creek. I am not sure why you want to tear apart the Willow Glen community? Is it because you can? We are particularly concerned with Ms. Chirco's proposed 6-9 (e)! This cuts right through our backyards! Obviously, she doesn't live in the community!

We are asking you to DELETE the transfer areas of 6-9 (e), 6-9 (a), 6-9 (aa), 6-9 (aaa) from any proposal! DO NOT MOVE US!

If you do anything, LOCK IN the transfer areas of 6-9 (b) and either 6-9(da) or the Rubino Circle Area for the final plan. We have heard no public concern from these areas.

Please listen to the people of the Willow Glen Community!

Elections will roll around again!!!!

Sincerely with Willow Glen Passion!!,

Robert and Michelle Eramo
