To Whom It May Concern At the Redistricting Commission and San Jose City Council:

My name is Anthony Cirone. I live at xxx, San Jose, 95124. My home falls within the now current District 6 boundary lines.

It is of greatest concern to me that the portion of District 6 south of my address NOT be allowed to cede to District 9. As presently proposed my street, which bares a great deal of NON-NEIGHBORHOOD traffic, will be shared by two opposing council members.

What has been REVOTED on is to divide my street between two opposing council members. The Dry Creek Road Neighborhood has always been treated by the City as a dumping ground for its traffic. So, what is proposed is to render my neighbors at odds with each other, TO SPLIT OUR VOICE, one against the other.

The house I call home is the one I was raised in - from October 4, 1953. I have raised my children here. And, I am not rich enough to bring suit against the City - if such a demarkation were to take effect. But, I would gladly join in such a suit if my neighbors so effected by this adverse agenda were to enjoin in such an effort.

Please, PLEASE, retain the boundaries as they now exist for the Dry Creek Road neighborhoods.

Sincerely,

Tony Cirone

San Jose, Ca. 95124
